The Tax Committee under the Government of the Republic of Tajikistan, within the framework of the Tax Reform Operation, announces a competition for the selection of a company for - **Conducting a cycle of practical seminars on the risk management system according to the norms of the legislation of the Republic of Tajikistan and the Russian Federation, tax monitoring in the Republic of Tajikistan and the Russian Federation and transfer pricing and tax price control in the Republic of Tajikistan**

The Republic of Tajikistan received a grant from the International Development Association for the implementation of the Tax Reform Operation (TRO or "Operation"). The aim of the project is to reform the tax system by: 1) simplifying the tax system; 2) improving the quality of taxpayer services; and 3) improving voluntary tax compliance.

The results of the Operation will be primarily measured by seven Disbursement-Linked Indicators (DLIs) of the Operation. With the exception of DLI 1, DLIs are output indicators, but they reflect the most important results of the Operation that will contribute to the achievement of the three expected results.

To achieve these objectives, the following activities will be financed: development of by-laws necessary for the implementation of the new edition of the Tax Code; deployment of a modern risk assessment methodology based on international experience for tax audits; introduction of mechanisms to improve the efficiency and transparency of tax expenditures; introduction of cost-benefit analysis in relation to tax incentives provided; simplification of requirements for tax reporting and unification of tax and financial reporting for individual taxes; introduction of an automated VAT refund system; automation of certain services for taxpayers; raising the standards of taxpayer service, taking into account feedback from taxpayers; introduction of an electronic digital signature and modernization of the ICT infrastructure in the Tax Committee; capacity development in the field of modern approaches in tax policy and tax administration; information and explanatory activities aimed at educating taxpayers.

In this regard, the Tax Committee invites interested parties to participate in the competition for the selection of a company (consulting) – a consulting company, as part of the Tax Reform Operation, to conduct Conducting a cycle of practical seminars on the risk management system according to the norms of the legislation of the Republic of Tajikistan and the Russian Federation, tax monitoring in the Republic of Tajikistan and the Russian Federation and transfer pricing and tax price control in the Republic of Tajikistan.
